

**Združenje otorinolaringologov
Slovenije
Slovenskega zdravniškega
društva
Zaloška cesta 2, 1000 Ljubljana**

Dear colleagues,

I have the honour to announce that the **5th Slovenian ORL Congress** will take place on September 25-27, 2008 in Radenci. Radenci is a health resort in the north-eastern part of Slovenia well known for its mineral springs.

The congress will have the following topics:

- Balance disorders
- Neonatal hearing screening
- Rehabilitation of hearing loss by hearing aids
- Cochlear implantation
- Secretory otitis media
- Cholestatoma
- Otoneurological skull base surgery
- Rhinogenic headache
- Chronic rhinitis and sinusitis
- Complications of neck inflammations
- Professional dysphonia
- Problems in regional head and neck cancer metastases
- Clinical and molecular prognostic factors in head and neck cancer
- Parotid malignant tumours
- Sleep breathing disorders
- Free topics

The titles of the posters and papers should be sent to the congress secretary Irena Hočevar-Boltežar (irena.hocevar@kclj.si) not later than February 29, 2008. We ask the authors to suggest poster or paper presentation. All first authors will receive the guidelines for the submission of the full text papers. The deadline for full text paper submission will be May 15, 2008.

The registration fee is 300 EUR (paid by August 1, 2008) or 400 EUR (paid later than August 1, 2008). Registration fee includes conference documentation, proceedings book, entrance to all lectures and commercial exhibition, welcome reception, congress dinner and coffee breaks. The fee can be paid by bank transfer to Nova Ljubljanska banka d.d. Ljubljana, Trg republike 2, 1000 Ljubljana, IBAN: SI56 0222 2001 9518 588, Swift code/BIC: LJBASI2X, reference: Slovensko zdravniško društvo, 5.ORL kongres.

Lodging is possible in the Hotel Radin in Radenci. Please contact info@terme-radenci.si and indicate that you will participate in the 5th Slovenian ORL Congress.

I am looking forward to see you in Radenci.

Sincerely yours,

Prof. dr. Mila Žargi

President of the scientific and organising congress committee
